

THE BIBLE STUDY PROGRAM

WEEK 26 – Numbers 34 – Deuteronomy 3 & Luke 7 – 8

Overview – This study is a 6 day program covering both the Old Testament (OT) and the New Testament (NT). This study program is to take place on a daily basis (Monday through Saturday). The study will involve reading/studying 6 OT chapters and 2 NT chapters per week. The OT chapters will only be covered 1 time with the NT chapters being covered 3 times. Depending on reading speed, chapter length, etc., total study time should take approximately 15 to 30 minutes a day. In other words, by simply dedicating **only** about 15 to 30 minutes a day (6 days a week) to Bible study, **in roughly 2 ½ to 3 years, you will have read and studied the entire Bible.** If followed, you will have read the OT once and the NT three times, while studying through the entire Bible. The KJV (King James Version) is used to prepare the questions.

How it works – Read, study, and/or answer questions as outlined below. Place an “x” in the blank after you have completed each day’s study. If you are unable to do the study on the set day, either try to “double up” and get back on schedule or if you get several days behind, simply skip to the current day’s schedule. If necessary you can always come back weeks or months later and study the chapters you missed. You will be able to identify any missed chapters easily if you consistently mark your studied chapters with an “x.” Practically speaking, however, this is not advisable and the student is encouraged to “stay on the daily schedule.” In short, this program will not work, if you do not commit yourself to a daily study habit. We also suggest that the student keeps the weekly study program sheets in a 3 ring binder for easy reference. It is likewise necessary that everyone in the local congregation who is involved in this study program get together weekly or at least biweekly to review the questions and answers.
